- 2.8. The Client agrees that all Transfer Orders initiated and confirmed by the Client shall be finite and irrevocable. The Client understands and acknowledges that it knows about irrevocability of Transfer Orders. The Client may not transfer, purchase, sell or exchange Virtual Items outside the Service, or attempt to sell, give or trade in the “real world” anything that appears or originates in the Service unless otherwise expressly authorized by Company in writing. The Company will not recognize those transfers as legitimate.
- 2.9. The Client to whose name the Account has been registered shall be responsible for the rights and obligations related to the Account. Among other things, the Client shall be a party of the transactions made through the Account.
- 2.10. The Account shall reflect:
 - 2.10.1. Client's personal data;
 - 2.10.2. Wallets opened by the Client and the amount of Virtual Items disposed on these Accounts and Virtual Card;
 - 2.10.3. Information about transactions, which were made using the Account, Wallets and Virtual Card;
 - 2.10.4. Other information at the Company's discretion.
- 2.11. The Client may not reveal, share or otherwise allow others to use Login, Password or Account. The Client is responsible for the confidentiality of Login and Password and for the security of Client's computer system (any devices used to enter the Account). The Company is not responsible for the use of Client's Password and Login or for all of the communication and activity that results from use of Client's Password and Login by the Client or by any person to whom the Client may have intentionally or by negligence disclosed Login and/or Password in violation of this confidentiality provision. The Company is also not responsible for the use of Account by a person who fraudulently used Login and Password without Client's permission. If the Client believes that the confidentiality of Login and/or Password may have been compromised, the Client shall change them immediately or notify the Company without any delay.
- 2.12. If the Client enters incorrect Login and Password 10 in a row, the Account will be blocked. In

this case the Client shall contact the Company with regard to provision of new Password which will be sent through the email address entered during Registration.

- 2.13. The Client may use an Unverified Account with the limitations specified in these Terms and Conditions or upgrade to the Verified Account by the means of Verification by providing necessary additional information and documents set out in the Annex#1 to these Terms and Conditions (Know Your Client Policy). If documents are in a foreign language, the Company may require that the documents be translated into the language understandable for the Company. The Company may require that the translation must be notarized or certified by a sworn translator. The Client shall bear the costs concerning the formalization, translation, certification of the documents and other related costs and they don't subject to reimbursement by the Company.
- 2.14. The Company may block the Account or refuse to fulfill the Transfer Order, depending on the degree of risk of the Client's activities and/or transactions, if:
 - 2.14.1. the Company suspects that the Virtual Items on Client's Account/Wallet/Virtual Card may be used to commit the money laundering, terrorism financing or other crime or have been received from criminal activity already committed.
 - 2.14.2. the Client fails to fulfill the obligations under these Terms and Conditions;
 - 2.14.3. the Company is obliged to do so by the legal acts;
 - 2.14.4. Transfers are made in breach of these Terms and Conditions and security requirements of Client's account;
 - 2.14.5. Transfers are suspicious, unauthorized or fraudulent;
 - 2.14.6. the Company suspects that corresponding transaction, the Client or connected person is related to the territory, area of activity, the Service or a person subject to sanctions or other national transaction limits;
 - 2.14.7. in other cases at Company's discretion if Company believes that it is necessary or advisable in order to protect the Account and/or the Company's business interests/activity;
- 2.15. The Client will be notified about the reason of block or refusal and always try to explain why the Company has taken such actions, unless where it is prohibited by laws or other legal acts or when it would pose risk to security. The Company will also notify the Client about the ways to remove the block, execute the Transfer Order and to continue the normal use of the Account.

PSTNET
KNOW YOUR CLIENT POLICY
Last Updated: 24.04.2022

This Know Your Client Policy (KYC Policy) is aimed at the implementation of due diligence by the Company and any of its partners when selecting and verifying Clients in order to comply with legal requirements and ensure the financial security of the Company.

1. GENERAL PROVISIONS

The Company conducts the Verification to avoid the risk of being held liable and to protect itself from the Client's attempting to use the Company for carrying out illegal activities. Verification allows the Company to identify every Client that the Company deals with, to understand the legitimacy of the Client's activity and to identify and react to unusual or suspicious activity.

As part of the Verification, the Company evaluates Client's Transfer Order and/or other operations, as well as collects and stores information on the essential facts pertaining to Clients, potential Clients, and their activity.

The Company is committed to protecting Client's privacy rights and the confidentiality of their Personal Data so please also see Privacy Policy, the current version of which is available at: <https://pst.net/privacy.pdf> - for better understanding of how the Company processes Client's Personal Data and secure Client's privacy.

2. CLIENTS VERIFICATION PROCEDURE

The Client may use an Unverified Account with the limitations specified in the Terms and Conditions or upgrade to the Verified Account by the means of Verification by providing necessary additional information and documents as specified herein.

If documents are in a foreign language, the Company may require that the documents be translated into the language understandable for the Company. The Company may require that the translation must be notarized or certified by a sworn translator. The Client shall bear the costs concerning the formalization, translation, certification of the documents and other related costs and they don't subject to reimbursement by the Company.

For the purposes of Client's Verification, the Company requests the following documents/information:

- proof of identity (passport, driver's license, national identity card);

- proof of address (tenancy agreement, utility bills, telephone bills, bank statements, etc.);

ANNEX # 1

- phone number verification by receiving a code via SMS.
- other documents/information at the Company's own discretion depending on the nature of Transfer Order and/or other operations/activity.

The Company reserves the right to request to have a call with a video to make sure that the documents are provided by the passport holder or to have additional photo/video verification.

Based on the risk, and to the extent reasonable and practicable, the Company will ensure that the Company has a reasonable belief that the Company knows the true identity of Client by using Verification and documents provided by the Client. The Company will analyze the information the Company obtains to determine whether the information is sufficient to form a reasonable belief that the Company knows the true identity of the Client (e.g., whether the information is logical or contains inconsistencies). Despite any provisions, the Client confirms that he is solely responsible for the accuracy of any information provided.
